36	[EFFECTIVE APRIL 15, 2005]: Sec. 9. (a) A denial of disclosure by	
37	a public agency occurs when the person making the request is	
38	physically present in the office of the agency, makes the request by	
39	telephone, or requests enhanced access to a document and:	
40	(1) the person designated by the public agency as being	
41	responsible for public records release decisions refuses to permit	

inspection and copying of a public record when a request has

1	been made; or
2	(2) twenty-four (24) hours elapse after any employee of the public
3	agency refuses to permit inspection and copying of a public
4	record when a request has been made;
5	whichever occurs first.
6	(b) If a person requests by mail or by facsimile a copy or copies of
7	a public record, a denial of disclosure does not occur until seven (7)
8	days have elapsed from the date the public agency receives the request.
9	(c) If a request is made orally, either in person or by telephone, a
10	public agency may deny the request orally. However, if a request
11	initially is made in writing, by facsimile, or through enhanced access,
12	or if an oral request that has been denied is renewed in writing or by
13	facsimile, a public agency may deny the request if:
14	(1) the denial is in writing or by facsimile; and
15	(2) the denial includes:
16	(A) a statement of the specific exemption or exemptions
17	authorizing the withholding of all or part of the public record;
18	and
19	(B) the name and the title or position of the person responsible
20	for the denial.
21	(d) This subsection applies to a board, a commission, a department,
22	a division, a bureau, a committee, an agency, an office, an
23	instrumentality, or an authority, by whatever name designated,
24	exercising any part of the executive, administrative, judicial, or
25	legislative power of the state. If an agency receives a request to inspect
26	or copy a record that the agency considers to be excepted from
27	disclosure under section 4(b)(19) of this chapter, the agency may
28	consult with the counterterrorism and security council established
29	under IC 4-3-20. by IC 10-19-8-1. If an agency denies the disclosure
30	of a record or a part of a record under section 4(b)(19) of this chapter,
31	the agency or the counterterrorism and security council shall provide
32	a general description of the record being withheld and of how
33	disclosure of the record would have a reasonable likelihood of
34	threatening the public safety.
35	(e) A person who has been denied the right to inspect or copy a
36	public record by a public agency may file an action in the circuit or
37	superior court of the county in which the denial occurred to compel the
38	public agency to permit the person to inspect and copy the public
39	record. Whenever an action is filed under this subsection, the public
40	agency must notify each person who supplied any part of the public
41	record at issue:

(1) that a request for release of the public record has been denied;

1	and
2	(2) whether the denial was in compliance with an informal inquiry
3	response or advisory opinion of the public access counselor.
4	Such persons are entitled to intervene in any litigation that results from
5	the denial. The person who has been denied the right to inspect or copy
6	need not allege or prove any special damage different from that
7	suffered by the public at large.
8	(f) The court shall determine the matter de novo, with the burden of
9	proof on the public agency to sustain its denial. If the issue in de novo
10	review under this section is whether a public agency properly denied
11	access to a public record because the record is exempted under section
12	4(a) of this chapter, the public agency meets its burden of proof under
13	this subsection by establishing the content of the record with adequate
14	specificity and not by relying on a conclusory statement or affidavit.
15	(g) If the issue in a de novo review under this section is whether a
16	public agency properly denied access to a public record because the
17	record is exempted under section 4(b) of this chapter:
18	(1) the public agency meets its burden of proof under this
19	subsection by:
20	(A) proving that the record falls within any one (1) of the
21	categories of exempted records under section 4(b) of this
22	chapter; and
23	(B) establishing the content of the record with adequate
24	specificity and not by relying on a conclusory statement or
25	affidavit; and
26	(2) a person requesting access to a public record meets the
27	person's burden of proof under this subsection by proving that the
28	denial of access is arbitrary or capricious.
29	(h) The court may review the public record in camera to determine
30	whether any part of it may be withheld under this chapter.
31	(i) In any action filed under this section, a court shall award
32	reasonable attorney's fees, court costs, and other reasonable expenses
33	of litigation to the prevailing party if:
34	(1) the plaintiff substantially prevails; or
35	(2) the defendant substantially prevails and the court finds the
36	action was frivolous or vexatious.
37	The plaintiff is not eligible for the awarding of attorney's fees, court
38	costs, and other reasonable expenses if the plaintiff filed the action
39	without first seeking and receiving an informal inquiry response or
40	advisory opinion from the public access counselor, unless the plaintiff
41	can show the filing of the action was necessary because the denial of

access to a public record under this chapter would prevent the plaintiff

1	from presenting that public record to a public agency preparing to act
2	on a matter of relevance to the public record whose disclosure was
3	denied.
4	(j) A court shall expedite the hearing of an action filed under this
5	section.
